Welcome

Thank you for allowing us to serve your child in our Youth, Teen & Family Programs! Youth, Teen & Family programming at the Y is about more than looking after kids. We nurture their development by providing a safe place to learn foundational skills, develop healthy, trusting relationships and build self-reliance through the Y's core values of caring, honesty, respect and responsibility. We hope our programs meet your needs and prove to be a positive and rewarding experience for your family. Please review and save this handbook for future reference as it outlines the expectations and policies. If you need further assistance or wish to speak to one of our YMCA Directors, please refer to the contact information in this handbook or on our website. As always, we appreciate your feedback and look forward to getting to know you and your family.

Intent of Handbook

This handbook is intended to be used by parents, children and staff as a guide to the rules, regulations, and general information about the YMCA of Lincoln, NE Youth Programs. Each family is responsible for becoming familiar with the handbook and knowing the information contained in it. Parents are encouraged to use this handbook as a resource and to assist their child in understanding and following the expectations of the program. Although the information found in the handbook is detailed and specific on many topics, the handbook is not intended to be all encompassing so as to cover every situation and circumstance that may arise during the program. This handbook does not create a "contract." The YMCA Program Director reserves the right to make decisions and make rule revisions at any time to implement the educational program and to assure the well-being of all participants. The YMCA program staff will be responsible for interpreting the rules contained in this handbook. Should a situation or circumstance arise that is not specifically covered in this handbook, the YMCA Program Director will make a decision based upon all YMCA policies and guidelines, applicable school district policies, and state and federal statutes and regulations.

Goals & Objectives of our Youth, Teen & Family/ CLC Programs

The goals and objectives for all Lincoln Y Youth, Teen & Family/Community Learning Center Programs are:

- To support and strengthen families and to provide opportunities for each child to grow and develop spiritually, mentally, physically and socially through safe, fun and educational programming.
- To enhance appreciation of others and encourage self-confidence.
- To provide opportunities to accept leadership responsibilities and to serve others.
- To promote a deeper appreciation of the environment.
- To recognize and embrace all types of diversity; talents, age and ethnicity.
- To provide children with positive adult role models who will nurture their development.

Core Values of the Y

The Core Values of caring, honesty, respect and responsibility will be taught and emphasized in all of our Youth Programs. We feel that these values are important for everyone to possess, regardless of background.

Partnering with Lincoln Public Schools

The Y counts on our community partnership with Lincoln Public Schools to provide opportunities for before and after school programming. A collective effort is required to educate and care for students throughout the school day and beyond. We work close with Lincoln Public Schools Staff at each school to achieve this effort and may exchange information on students in order to ensure their success in our program and during the school day.

Special Needs, Additional Support & Food Allergies/Intolerances

The YMCA of Lincoln, NE does not discriminate against children with special needs or who need additional support in our programs but requests this information in order to provide a safe and enjoyable experience for each participant. Please note that the terrain of our facilities, program constraints and our activity levels may make it difficult to accommodate participants with certain special needs/additional supports. This form is to be used by the Program Director and the parent/guardian, in order for the YMCA to be made aware of a participant's additional supports and/or specific special health, dietary, mobility or disability needs and to put in place safety and/or medical accommodations as applicable. The Y will make every reasonable effort to accommodate a participant's special needs/additional supports but we cannot guarantee that this is possible in all circumstances. If your participant needs more assistance or support than the staff is able to provide, during their time in our care, we may contact the parent/guardian or the emergency contacts to assist the participant at the program site or over the phone, and if necessary, come and take them home for the day.

Before a Program Begins

Your participant must have an up-to-date YMCA Child Information Record completed and on file at each facility where your participant will be attending our Youth, Teen & Family Programs. We also need your participant's up-to-date immunization records on file and acknowledgment that you have access to this handbook and the DHHS Parent Information Brochure (included in this handbook). These are the custom questions that are required as part of your participant's enrollment in any Youth, Teen & Family/Community Learning Center Program. State licensing requires that we have information on file prior to your participant receiving care in our Youth, Teen & Family/Community Learning Center Programs.

Program Fees, Payment Information & Receipts

Please refer to ymcalincoln.org for detailed information about fees and payment information pertaining to the particular program. Parents/Guardians are responsible for paying all fees in a timely manner. Program Fees are to be paid, via automatic charge/withdrawal from a credit card, debit card or electronic check.

- Payments for the Before & After School Programs and Preschool Programs must be paid on the first of the month. If a balance is not paid by the 15th of the month you will forfeit your participant's spot in our program.
- The remaining balance for the Summer Day Camp program for each weekly fee is due two Fridays before the week your participant will attend. If the balance is not paid by the Tuesday of the week your participant is attending, you will forfeit your participant's spot in our program.
- DHHS Families responsible for a Family Fee, per their DHHS authorization for Child Care Subsidy benefits, are responsible for completing a Direct Draft Authorization for payment. Payment for your Family Fee will be withdrawn on the first of each month. If payment is past due, families will be responsible for any additional charges that may accrue on their account. If payment is not collected by the 15th of the month the participant will be withdrawn from the program and will not be able to enroll in any other YMCA programs until the past due balances are paid. Families who utilize this service will be responsible for paying for any dates of services that DHHS does not cover and are subject to cancellation and no-show fees.

Receipts are available for you to print from your YMCA ActiveNet account online at

<https://apm.activecommunities.com/ymcalincoln/Home>. Receipts are also available upon request at each YMCA facility. A tax receipt for child care for the previous year will be available after January 1. You will need to log onto your YMCA ActiveNet Account or visit the Front Desk at a YMCA facility to obtain a tax receipt for your records. For your records our Tax ID # is 47-0376578.

Waitlist Procedures

If a program or course is full, we offer the option to add a participant to the waitlist. Being placed on the waitlist does not guarantee a spot in the program. Please ensure that your contact information is current at the time you are placed on a waitlist, as Program Directors will contact waitlisted individuals on a first come, first served basis if space in the program becomes available. The waiting lists for our programs do not automatically transfer over to the next school year or from session to session.

Photographs

Membership enrollment, entry into facilities or property/grounds, participation in YMCA programs and/or events grants permission and consent for participant(s) to be photographed or videotaped, audiotaped or recorded and waives any privacy rights with regard to the display of such photographs, broadcasts, recordings, etc. in presentations, publications, websites, social media, news, radio, TV and other means. If you have concerns with the use of these items, you are responsible for personally notifying a Branch Director in writing. The YMCA does not control, regardless of your circumstances, the taking or use of photos/videos, etc. at "public events" such as athletic events, outreach events, etc. where members of the public/community/media are invited.

Parent/Guardian Accessibility

A parent/guardian/emergency contact must be accessible by phone, at all times, during the hours of the program. It may also be necessary for you to come to the site to pick-up your participant, or have a reasonable plan in place to pick-up your participant, within 30 minutes of the Y contacting you. If we are unable to reach an authorized adult, or if you fail to pick-up your participant within the 30-minute time frame, staff may contact the Lincoln Police Department to assist. Failure to comply with this policy may also result in dismissal from the program.

Late Pick-Up Procedures

In order to be respectful of our staff and to be in compliance with our licensing requirements, parents must arrive to pick-up and sign their participant out of the program by the time the site closes. Multiple late pick-ups may result in a late fee or we may ask you to make other arrangements. If you are running late and will be unable to pick your participant up before the set closing time, you must notify the Program Staff or the Program Director with a phone call as soon as possible. If you do not call and we are unable to reach an authorized adult to pick up your participant the staff will follow the YMCA safety policies and procedures and contact the local police.

Sign In & Out Procedures

All participants must be signed in and signed out on the program attendance sheet each day. Our staff will be checking participants in and out of the programs outside of the program entrance/exit at the site each day. All participants **MUST** be walked to the entrance by an authorized adult to be checked in by the staff. Upon arrival, our staff will do an initial assessment of your participant, which may include taking their temperature. If your participant's temperature is 100.4 or above, they will be excluded from the program. *See Illness Exclusion Policy.

Anyone picking up a participant from our program must physically walk to the building entrance/exit. For the safety and protection of each participant, the staff cannot accept or release any participant before he/she has been checked in or out by an authorized adult. Anyone picking up a program participant may be required to show ID until the staff are able to identify and verify you when they see you. Please remain patient while the YMCA staff retrieve your participant as it may take a few minutes for staff to facilitate. All adults authorized to check your participant in and out of the program need to be listed in your participant's authorized pick-up list. In emergency circumstances, if someone other than those adults listed as authorized will be picking up your participant, it is important that you call the site phone and email the Program Director. If we receive no message and can't reach you, or an emergency contact, by phone, we will refuse to let your participant go, no matter what the circumstances. We are obligated to care for and protect your participant, so you must be committed to communicating all changes such as these to the Program Staff.

Middle School students participating in our after school programs may sign themselves out and leave the building/grounds at a specific time, to ride the bus or walk home, only if it has been noted in your participant's registration and/or with parent/guardian communication. In some of our programs, participants may enroll in other YMCA programs/activities that are also held in the same facility (i.e. youth fitness training, swimming lessons, martial arts, cooking class, dance, gymnastics). In these situations, with written permission on file, the Program Staff will sign the participant out of the Y child care program and into the other YMCA program/activity.

Visitation/Observation Policy

Parents/Guardians of a participant enrolled in our programs are welcome to visit and observe the program at any time.* Parents/Guardians who are visiting must check-in with the Site Supervisor/Program Staff upon arrival. Parents/Guardians/Visitors visiting the program may never be alone with participants in our care and must remain in authorized areas under the supervision of our Program Staff. We ask that parents/guardians/visitors follow the same guidelines as our employees when it comes to interacting with participants.

Physical Interactions

Physical interactions and physical contact can be easily misinterpreted. Appropriate physical contact in YMCA programs can be defined by:

- Physical contact must be age appropriate: infants, toddlers and preschool age participants have different needs than elementary and middle school age participants. School-age participants may not sit on the laps of adults while in our program.
- Physical contact must be child initiated and non-sexual for both child and adult. Contact may be adult initiated as a means of congratulations (such as High 5, or Fist Bump).
- Physical contact should be with child's permission and resistance to contact should be respected.
- Gentle Limits: Children (especially young ones) can be affectionate, and may need gentle reminders of what is appropriate. As an example, a child might jump in your lap and you might need to gently ask them to sit next to you instead.
- Physical contact should avoid breasts, buttocks, and groin or areas covered by swimsuits (Imagine a person wearing a boy's swimsuit and a girl's 1-piece swimsuit at the same time. Don't touch the areas covered by the suits).
- Employees will make every effort to ensure that no child is punched; pinched; left alone; shaken; slapped; struck with any object; bitten; spanked; handled roughly; isolated in a locked or closed room or closet; denied food; forced to nap.

Verbal Interactions between Parents/Guardians/ Visitors and the Program Participants

We expect that parents/guardians/ visitors be respectful when interacting with other participants, other parents and employees while they are in our program. We have a responsibility to protect the participants in our programs. No participant should be subjected to derogatory remarks about them or their family; yelled at; screamed at; talked to in a negative tone; and/or talked to with abusive or profane language. Participants of any age must not be exposed to: profanity; sexually explicit material; acts of violence toward a person or animal; or acts of racism.

**Visitation/Observation Policy subject to change based on the direction and guidance of Lincoln-Lancaster County Health Department and/or Lincoln Public Schools.*

Impaired Authorized Pick-Up Person Due to Substance Abuse

If a YMCA staff member believes that an authorized pick-up person is intoxicated/under the influence of drugs when they arrive to pick up a program participant, we will let them know we are not comfortable allowing the participant to leave with the person who we believe is intoxicated or under the influence of drugs. We will offer to call another parent/guardian or someone on the emergency contact list to pick up both the participant and the person who we believe may be under the influence. If the person chooses to leave with the participant, and we believe they are under the influence of drugs or alcohol, the YMCA staff will immediately call the police.

Family Transitions

Children's actions in our program often reflect problems they are experiencing at home (i.e. pet's death, parent divorcing, fight with sibling, etc.) If any such disruptive or traumatic experience should occur, we encourage you to inform the Program Director or Site Supervisor. This will enable us to better meet the needs of your participant.

Child Custody

In the case of divorced, separated or unmarried parents, the Y will assume both adults may give directives in regards to the child. If there is a conflict, the YMCA will take direction from the adult that registers the child.

Youth, Teen & Family Program Staff

We have several different positions within our Youth, Teen & Family Program Staff structure. All Program Staff are well trained and receive continuous training throughout the year. We encourage parents/guardians to get to know the Program Staff and discuss any questions or concerns with them openly.

Staff Relationships Outside of the Y

The YMCA of Lincoln does not sanction, encourage or endorse the use of YMCA employees for non-YMCA child care activities. The YMCA assumes no responsibility for outside child care, including legal liability.

Accidents & Injuries

The health & safety of the children in our care is our top priority. Even with watchful eyes, children often test their physical limits making injuries inevitable and accidents do happen. When a minor accident occurs, Program Staff will inform you verbally or with a written health report at the time of pick up. In the event of a medical emergency or accident that may require medical attention, we will contact you immediately. If we cannot reach you or the emergency contacts listed on your child's Information Record, emergency medical personnel will take the participant to the emergency room via ambulance.

Medication

Because we are a state licensed program, we cannot administer medications without written instruction and consent from the parent. If your participant has medication they need to take, please fill out a Medication Request Form and ensure it is always up-to-date while on file. If during the course of the program, you find you will need to fill one out, the Program Staff will have extra copies. All medications to be given to your participant must be in the original container and sealed in a clear plastic bag. Medications need to be labeled with the participant's name, doctor, medication name, dosage, and pharmacy. If your participant has an Epi-Pen we will need an Allergy Plan from your participant's doctor. If your participant has an inhaler for Asthma we will need an Asthma Plan from your participant's doctor.

Safety & Transportation

Every precaution will be taken to be sure participants are safe at all times. If you ever have questions or concerns about safety, please bring them to our immediate attention.

- Fire and tornado drills will be conducted so that emergency procedures are understood and followed.
- In the event of an emergency the YMCA will ensure that all parents and families of the participants in our care are notified of the emergency. Parents/Guardians will be notified via email or phone call. In this email/phone call we will notify you of where you can go to be reunited with your participant(s).
- Staff are CPR, AED and First Aid trained and first aid kits are kept in the facility/on site and in all vans.
- The 1 to 15 staff/child ratio will be met at all times. In the pool, a 1 to 6 staff/child ratio will be met.
- Employees will never be alone with a single participant.
- Participants may be transported in 12 or 15 passenger vans and/or chartered buses.
- Participants must remain seated in the van at all times and must wear a seat belt and children 7 years of age and younger must use a car seat.
- Van drivers are licensed drivers, at least 21 years of age, with a good driving record. All drivers have been approved with Copple Insurance Agency and have completed YMCA van driver training. Drivers follow all speed limits and obey traffic laws.
- While supervising program participants away from the facility, Program Staff must carry a cell phone with them so that they can contact the YMCA Program Director in the event that a participant becomes ill, the vehicle breaks down or is involved in an accident or other emergencies.

Illness Exclusion Policy for Youth, Teen & Family/CLC Programs

Participants who are sick or who are experiencing illness symptoms are not allowed to be in our programs. If the participant is already on site and they begin to show illness symptoms, the supervisor will place the participant in the isolation area and contact their parent/guardian for immediate pick up. Participants will then need to be excluded for certain period of time, depending on the symptoms/illness.

Exclusion for Illness Symptoms Outside of COVID-19

Individuals with one or more of the following symptoms/illnesses should be excluded for a *minimum* of 24 hours:

- Temperature 100°F or greater
- Unexplained Vomiting

- A condition or illness that prevents meaningful participation, presents a health risk to the individual or others, or that requires medical consultation, including but not limited to: persistent congestion and/or runny nose; sore throat; headache; muscle pain; lethargy; persistent crying; persistent cough.

Following normal illness procedures, individuals may return when fever free, without the use of fever reducing medications, for 24 hours and other symptoms have improved.

Exception, if an individual presents with recent loss of taste or smell they should be excluded and tested for COVID-19. If test is negative, they may return when fever free for 24 hours and other symptoms have improved. If they choose not to test, they will be managed as a positive case.

Exclusion for COVID-19

If your participant is identified as close contact exposure to COVID-19 or if the participant tests positive for COVID-19, contact the YMCA Program Director to determine next steps and when they can return to programming. The YMCA will follow local health department guidelines.

Exclusion for Reportable Communicable Disease/ Illness Outside of COVID-19

Participants who are diagnosed with any of the other following illnesses are NOT allowed to be in our programs for varying amounts of time depending on the illness:

- Bronchitis- Persistent cough is resolved without the aid of cough suppressant medication.

These illnesses/conditions must be reported to the YMCA Program Director by the parents/guardians of the ill participant.

Parents/Guardians of all participants enrolled in our program will be notified (via posted signs in a visible place, written note, emails and/or phone call to parents/guardians of participants both in attendance and not in attendance that day) on the same day the program employees were informed of or observed the illness, unless otherwise directed by the local health department.

Help Keep Lice & Bed Bugs Out of Our Programs

In an effort to help us keep lice and bed bugs out of our programs here are a few tips:

- Participants with eggs/nits, nymphs and/or adult lice on their head must not attend our programs and cannot return to our programs until the participant and all of their belongings have been thoroughly treated and there have been no live bugs for 24 hours.
- Discourage your participant from sharing hats, hairbrushes, sweatshirts and/or coats.
- Wash and dry (on high heat) all items you are sending to the Y with your participant.
- If you are concerned that you may have an infestation of Bed Bugs, or have recently traveled and may have been somewhere with an infestation, contact the Program Director to work through how to best prepare your participant's personal belongings and how the Y can help make sure pests don't come with your participant.
- For more information on Bed Bugs please visit: <http://lancaster.unl.edu/pest/bugs.shtml>
- For more information on Head Lice please visit: <http://lancaster.unl.edu/pest/lice/index.shtml>

Attendance & Absence Policy

Regular attendance is important to us as we try to provide quality programming and experiences. Please notify the Program Staff if your participant will be absent from our program. We expect that communication will be initiated by the parent/guardian and/or the participant regarding attendance, which includes late arrivals or absences. We will not contact you in the event that your participant does not report and sign into our program. Please notify the Program Staff by calling the program phone number (leave a message if there is no answer) if your participant will be absent for the day. There will be no reduction of fees due to absences/late arrivals.

Weather & Outdoor Play

Participants should come to the program dressed ready for the day and appropriately for the weather, as we do try to go outside everyday weather permitting. When deciding if we will go outside each day we will follow the Child Care Weather Watch Guidelines as recommended by the Lancaster County Health Department, in addition to following the direction of the school administration at our school program sites. We highly encourage participants to wear tennis shoes or close-toed shoes as it is difficult to play and run wearing sandals, especially flip flops, so please try to avoid these.

Sunscreen Policy

Indoor and outdoor activities are a part of our Youth, Teen & Family Programs. Participants in the program will be asked to wear sunscreen when going outside. We ask that parents help their participant(s) apply sunscreen before coming to the program and if possible send the sunscreen you would like your participant to use with them to the program. We will ask participants to reapply sunscreen throughout the day in a group setting. We expect participants to apply sunscreen to themselves but Program Staff are available to assist them if necessary.

Swimming

Swimming is a part of many of our Youth, Teen & Family Programs. When swimming is part of the program schedule, participants who have permission to participate in swimming activities will be allowed to swim. Those who do not have permission to swim will sit out of swimming activities and be supervised by program staff. Certified lifeguards will be on duty and Program Staff will participate in swimming activities as well. Participants who have permission to swim in water that goes above their head will be required to take and pass a swim test prior to swimming in water that goes over the participant's head. Two employees (at a minimum), will be present in the locker rooms while supervising participants when they are changing before and after swim time. Program Staff will also work to ensure they remain in ratio while in the locker rooms as well.

Snacks & Lunch

During our Out of School Days and Summer Day Camp Programs, an afternoon snack is served, however participants must bring their own lunch during those programs. Lunches must be labeled with the participant's first and last name. Lunches need to include items from 4 of the 5 food groups (dairy, grains, protein, fruit, vegetable). We have signed an Alternative Compliance form with DHHS Child Care Licensing and per our licensing agreement that states we will supplement participants' lunches as necessary to ensure that each participant's lunch meets USDA requirements. We will keep food on hand to supplement lunches as necessary and if we do supplement a participant's lunch, their parent/guardian will be notified and reminded of the lunch requirements. We ask that families please avoid sending lunches with common allergens such as peanut butter. Lunches containing common allergens such as peanut butter must be clearly labeled with the words "Contains Peanuts." Soda pop is not allowed in lunches. During the Out of School Days and Summer Day Camp Programs, we do not allow participants to purchase items from vending machines or on field trips. If you send money for your participant to use the vending machines, they must do so before you sign them in each morning. Any items bought should be put into their lunches and then put away.

When a snack is provided it will meet the state licensing requirements and contain two foods from the basic food groups: meat, fruit, vegetable, grain and dairy. If your student has a food allergy it must be noted on their Information Record. A general snack calendar is posted at each program site. To request a copy please contact the Program Staff. We are dedicated to celebrating in healthy ways, and if you wish to bring in outside food into programs, all food must be store bought or prepackaged items, to meet LLCHD Health & Safety Guidelines, and must be free of common allergens such as peanuts/peanut butter; must not be fried foods/snacks and should be healthy in nature.

Youth, Teen & Family Program Rules

The YMCA is committed to providing a healthy, fun, nurturing environment for children in our care. We believe that program rules and a specific discipline policy for inappropriate behavior are necessary in order to maintain a positive and safe environment for all program participants. Please read over and talk about the program rules and the behavior management and disciplinary procedures with your program participant so they understand them prior to the start of the program. At all times participants in our Youth, Teen & Family Programs should be safe, respectful, responsible, caring and honest.

Partnering for Success

The Y encourages and supports a team approach to addressing any behavior concerns. We want to help program participants be successful in our Programs. Y staff will communicate with participants and their parent/guardian about any concerns and issues that arise, and we ask that parents/guardians communicate with program staff as well. We will utilize documentation including but not limited to, incident and accident reports, behavior and intervention reports, communication from parents/guardians and behavior and/or additional support plans. Our programs provide a structured recreational and educational environment and when ongoing challenging behavior occurs, it is disruptive and distracting. The Y has a responsibility to respond to challenging behaviors according to the guidelines and procedures outlined in this handbook.

The Y is able to provide the following:

- Care to children with mild-moderate behaviors.
- Individualized behavior support plans as needed.
- Training to all of our staff in general behavior management.

The Y acknowledges the following limitations:

- We are unable to provide one-on-one care.
- We have a no-chase policy, so in the event of a runaway we will contact the police and parents/guardians to arrange immediate pick-up.
- We are unable to offer services to children who pose a significant safety risk to themselves or others.
- We are also not able to provide treatment level care or therapeutic behavioral services.
- We are unable to assist with toileting/diaper changing.

Parent/Guardian Responsibilities Include:

- Parents/Guardians will be involved in their participant's problem solving process. This includes reading and signing any documentation at pick up and actively participating in problem solving over the phone if needed.
- For the safety of the participant, other participants, and the staff, when a participant has demonstrated extreme inappropriate behavior, or is requiring one-on-one support, a parent/guardian or authorized escort must pick up the child. In these circumstances it may be necessary for you to come to the site to pick-up your participant, or have a plan to pick-up your participant within 30 minutes of the Y contacting you. If we are unable to reach an authorized adult, or if you fail to pick-up your participant within the time frame, staff may contact the Lincoln Police Department to assist. Failure to comply with this policy may also result in dismissal from the program.
- Parents/Guardians will be expected to take an active role in the development and implementation of a behavior plan if needed.
- If at any time you have questions, concerns or need support, please reach out to the Program Director immediately. We are here for you!

Our team wants to partner with parents/guardians, families and participants to help ensure every participant has a fun, safe and enjoyable experience in our programs. However, the YMCA does reserve the right to terminate care immediately for conduct unbecoming a program participant including but not limited to continued behavior issues, causing harm to another participant or lack of parent cooperation.

Employees will ensure that participants of any age must not be exposed to: profanity; sexually explicit material; acts of violence toward a person or animal; or acts of racism. Staff will also ensure that children are not disciplined for toileting accidents; refusal to take medication; or refusal to eat.

Positive Recognition & Encouragement

At the Y, we highly support and encourage positive behavior in our programs. We will do our best to recognize and acknowledge positive choices being made by our program participants in many ways including, but not limited to:

- Verbal/written praise
- High-fives/pats on the back
- Award coupons & certificates

Behavior Management Procedures

Discipline Procedures

Y Employees will use LPS Student Supports when managing and addressing student behavior. Site specific program rules and policies are available at the time of registration or by contacting the Program Director. The Y encourages and supports a team approach to addressing any behavior concerns. We want to help program participants be successful in our programs. Program Staff will communicate with participants and their parent/guardian about any concerns and issues that arise, and we ask that parents/guardians communicate with Program Staff as well. As a reminder, the Y does partner with Lincoln Public Schools and we will exchange information with LPS staff as needed. Employees will complete all documentation including but not limited to, incident and accident reports, behavior reports, notes on all conversations, messages from parents/guardians and any behavior plans.

1. Staff will make every effort to ensure that no participant is punched; pinched; left alone; shaken; slapped; struck with any object; bitten; spanked; handled roughly; isolated in a locked or closed room or closet; subjected to derogatory remarks about them or their family; denied food; forced to nap; yelled at; screamed at; talked to in a negative tone; talked to with abusive or profane language; and/or threatened with physical punishment. Staff will ensure that the following items are not used when disciplining participants: soap, hot sauce, or other unpleasant food and non-food items; and mechanical restraints.

2. If a participant is demonstrating inappropriate behavior, the Program Staff most familiar with the incident/who witnessed the behavior, should redirect the participant's behavior by getting down on the same level as the participant and speaking with them using clear, calm and direct words. Employees might also need to help the participant engage in an alternative activity. Examples of inappropriate behavior, that will result in discipline or behavior management procedures include but are not limited to:
 - a. Hitting/pinching/ biting/kicking/punching/slapping another participant or staff
 - b. Fighting/arguing with another participant (both participants may need to be disciplined)
 - c. Destruction of property
 - d. Teasing/ bullying/ picking on another participant/ name calling * see Bullying Prevention below
 - e. Intentionally leaving the group/program area/the premises without permission and without supervision *see Runaway Participant Policy below
 - f. Inability to conform
3. If necessary, staff may use time-out- a brief, supervised, break away from the other participants in their group. Also if necessary, Program Staff may restrict a participant's movements by the use of a physical hold. A physical hold may be used only: when a participant is hurting him/herself, others or property; when the hold does not prevent the participant from breathing or speaking; and until the participant is calm and able to demonstrate reasonable control of their behavior. A Program Director must be notified as soon as it is safe to do so and the Program Director will notify the parents/guardians if a physical hold is used within 24 hours. If it is not safe for an employee to use a physical hold, but the participant is a danger to themselves or others, we will immediately contact the local police department and/or the parent/guardian for the participant to be immediately picked-up from the program.
4. If problems persist, or the incident was very serious, Program Staff will communicate with the parent/guardian via phone call or at the time of pick-up so they are aware of what happened and how the situation was addressed. If necessary parents/guardian/emergency contacts may be contacted by the Program Staff and request that the participant who is demonstrating inappropriate behavior and/or requiring one-on-one support be picked-up from the program. If that request is made, arrangements must be made for the participant to be picked up within 30 minutes. It may be necessary to set up a meeting with the Program Staff, Participant Family and Program Director to create a plan to help the participant be successful in our program.
5. Every effort will be made to communicate with parents/guardians to help participants in our program be successful, however, serious behavior incidents and/or continued behavior concerns may require suspension or dismissal from the program. The decision will be made by the Program Director and there will be no proration or refunds. Please see the Suspension and Discharge of Program Participants policy, below, for more information.

Failure to Comply is Not an Option

The Y is committed to providing a healthy, fun, nurturing environment for children in our care. We believe that program rules and a specific discipline policy for inappropriate behavior are necessary in order to maintain a positive and safe environment for all program participants. Please read over and talk about the program rules and the behavior management and disciplinary procedures with your participant so they understand them prior to the start of the program. These items are outlined in this packet and in our handbook. At all times, participants in our Youth, Teen & Family Programs should be safe, respectful, responsible, caring and honest. Each behavior intervention puts participants, families and staff at additional risk. To minimize risk for all parties involved, multiple interventions will result in suspensions and/or lead to expulsion from programming. We want to keep our doors open for as many families as possible. Doing so means taking the safety of everyone seriously. The Y reserves the right to discontinue services for any participant/family who fails to comply with our program rules, policies and procedures.

Suspension and Discharge of Program Participants

Chronic Compliance Issues/Concerns

- A. A serious guidance problem is defined as one in which a participant is continually disrupting the smooth flow of the program in any of the following manners:
 - Requiring excessive one-on-one attention
 - Inflicting physical or emotional harm on other participants/staff
 - Repeatedly using foul language and being repeatedly rude and discourteous to staff and peers
 - Inability to conform to the guidelines of the program
- B. Behavior difficulties usually become manageable with cooperative efforts between staff, the parent/guardian and the participant. The staff will work with the parent/guardian through:
 - Observation and documentation
 - Parent/Guardian/staff conferences
 - Referrals and outside resources
- C. Every effort will be made by the staff to enlist the cooperation of the participant, parents/guardians and any outside agencies to solve each problem. In the event of continued problems, the following procedure will be followed:
 - Staff will inform parents/guardians of specific situations. Staff will seek advice from parents/guardians and work to resolve problems
 - A conference with parents/guardians, staff and participant will be set to establish a mutually agreeable solution for the participant's behavior
 - Participant suspended from the program for the remainder of the day and up to one week, no refund given.
 - Participant terminated from the program.
 - Participant expelled from all Lincoln YMCA programs.
- D. We will address behavior issues and concerns as they arise, which may lead to changes in program rules and policies without advance notice.

Termination of Childcare Services

The YMCA reserves the right to discontinue child care services including but not limited to the following conditions:

- Failure to abide by any of the registration agreement conditions as itemized in the Parent Statement of Understanding or failure to fulfill any of the responsibilities or conditions included in the Parent Handbook.
- Severe behavior by the participant which disrupts the program, including repeated instance of failing to listen to the Program Staff or refusal to follow program rules. Excessive use of physical force, including, but not limited to: hitting, pushing, kicking or biting, and verbal abuse or excessive threat to use physical abuse.
- Failure of parents/guardians to treat staff or other parents of participants respectfully. Disrespect includes inappropriate or abusive language, behavior or threats and refusal to partner with the Program Staff in addressing behavior concerns regarding their participant.
- The YMCA childcare programs follow a zero-tolerance policy in regards to weapons or look alike weapons. Any participants, parents/guardians or family and authorized adults that uses, possesses or threatens to use or possess a weapon or a look-alike weapon at any time may be permanently expelled from the YMCA Program.
- Balance overdue two weeks or more of child care fees.

Communication between Program Staff and Parents

Communication about a participant's progress and behavior will be shared by the Program Staff with parents/guardians generally in person. Other means of communication that Y staff will use to communicate with parents/guardians include phone calls, e-mail, parent newsletters or a note sent home with the participant.

Bullying Prevention

Bullying is any repeated hurtful or aggressive act that is used to intentionally frighten or intimidate others who are weaker or smaller and is often done secretly. Bullying is inexcusable and we will take a firm stance against all types of bullying. Each participant is expected to treat all other participants with respect at all times. We work together to ensure that participants gain self-confidence, make new friends and go home with a positive experience. If a participant has difficulty meeting this expectation, parents/guardians may be called upon to assist. Our staff address all incidents of bullying in a serious manner.

- We expect participants to immediately report any incidents to the Program Staff and we expect Program Staff to immediately report incidents of bullying to the Program Director. Staff who witness such inappropriate and/or hurtful acts will take immediate steps to intervene as soon as it is safe to do so. Each complaint of bullying will be promptly investigated in a thorough and confidential manner.
- To ensure bullying does not occur in our programs the YMCA provides training to staff in bullying prevention.
- Staff will discuss bullying in age-appropriate ways with participants and assure them that they need not endure any form of bullying. Students who bully are subject to disciplinary action up to and including expulsion from all Lincoln YMCA Programs.
- The staff will make reasonable efforts to keep reports of bullying and the results of investigations confidential.

Runaway Participant Procedures

At all times, Program Staff must keep themselves and the participants in our programs safe. If a participant puts themselves in a dangerous situation by running away from the program area, Program Staff and the YMCA property, employees will immediately contact the local police department and the parent/guardian.

Participation

To support safety, positive interactions, quality experiences and good use of resources, participants are to be engaged in the program activities. Participants need to follow directions from the school and YMCA staff, conduct themselves in a positive manner, adhere to school and YMCA expectations, and share concerns in a timely manner with staff.

Participants are encouraged to participate in all program activities. If they cannot participate for medical reasons, a note from the parent/guardian or doctor is recommended. Participants who refuse to participate in group activities make it difficult for other participants in the group to have an enjoyable time. If a participant continually refuses to participate in program activities, we will communicate with you to determine the best course of action.

Personal Belongings

We may request that participants bring some personal items to be used throughout their time in the program. We do ask that participants refrain from bringing money or valuable items. The Y is not responsible for any personal belongings that may become lost or stolen while participating in our Youth, Teen & Family Programs.

Cell Phone/Smartwatch Policy

All of our Youth, Teen & Family Programs have a phone on site. For the safety and privacy of the participants in our programs the Y does not allow recreational use of personal cell phones/smartwatches during program hours and asks that parents/guardians/participants utilize the program phone when they need to communicate with one another.

Participants may only use their cell phone/smartwatch with permission from the Program Staff. If the cell phone/smartwatch is used improperly and/or inappropriately, or if the use of a cell phone/smartwatch becomes a distraction during the program and/or conflicts with program activities, the Program Staff reserve the right to confiscate the cell phone/smartwatch and hold it until the program participant is picked up.

There will be no reduction of fees due to absences/late arrivals. Participants who are late in arriving to after school program may be asked to provide a pass from a teacher.

Out of School Days Program

The monthly fees for our before and after school programs/after school enrichment programs are set based on the total number of school days offered in the school year, divided over the number of months care is offered from August to May. Out of School days are not included in the monthly program rate. Child care on many out of school days (excluding snow days) is available at the Cooper, Fallbrook, Copple Family and Northeast YMCAs through our separate Out of School Days child care program. Out of School Days is a licensed child care program offered on some Lincoln Public Schools non-school days for youth in Kindergarten through age 12. Informational brochures and registration forms will be available at each Y Branch Front Desk or online at www.ymcalincoln.org.

Early Release Days

On these days the after school program will begin immediately when school releases for those enrolled in the after school program. Families will be notified in advance by posted messages, flyers and/or in the weekly activity schedule. Participants must be able to participate in planned field trips as alternative care will not be available at the site.

Families responsible for a Family Fee, per their DHHS authorization for Child Care Subsidy benefits, are responsible for completing a Direct Draft Authorization for payment. Payment for your Family Fee will be withdrawn on the first of each month. If payment is past due, families will be responsible for any additional charges that may accrue on their account.
