Philosophy

Why should you join the Pod?

- Health, fun, family, and friends, Dolphin swimming brings it all together.
- Only Dual chartered through Y of the USA and USA Swimming in the Capital City.
- Opportunity for improvement, meets and success at all levels of ability.
- Professional staff, focusing not only on speed, but also healthy swimming techniques.
- We “Flip” for multisport athletes– We encourage you to be well rounded and offer flexibility in our program.

The Y Dolphin Swim Club is a competitive age group swim team that offers opportunities for many age and ability levels. The team offers year-round training with both local and travel competitions. We strive to enable swimmers to grow as individuals, achieve their goals as swimmers and expand their overall potential in a nurturing, safe, yet demanding environment. We (coaches/parents/officials)

Behavior

Swimmers are asked to remember that they are representatives of the Lincoln Y Dolphins Swim Team. As representatives, we ask them to behave in a manner that is responsible and respectful of others. Often swimmers share the locker rooms and other areas in the YMCA or meet facilities with other members, and must therefore act responsibly and respectfully at all times. Swimmers are expected to leave the YMCA facilities and any host facilities cleaner than the way they found them.

Swimmers at all program levels will be expected to value sportsmanship and respect for teammates, coaches and opponents. They will be encouraged to work together to help foster a positive training environment that is as enjoyable as it is productive.

Swimmers who disrupt practices, have trouble following their coaches’ directives, or disrespect their teammates, coaches or the facilities they use will be redirected and their parents will be informed.

Meet Line-Ups & Entry Procedure

To help each swimmer develop overall skill and help achieve our team goal of IM STRONG, swimmers will be encouraged to swim different strokes and distances throughout the season. Coaches discourage specializing in any one stroke and/or distance for a variety of reasons.

- It gives the coaches an opportunity to evaluate the swimmer in all events, thus helping to determine the team's best line-up for championship meets at the end of the season.
- It assists the coaches in evaluating what strokes a swimmer may need additional work with.
- It challenges the developing swimmer to experience events he/she might not otherwise would have chosen, and therefore results in a well rounded swimmer.

Participation in swim meets is not required but it is the best way for swimmers & coaches to gauge swimmer's progress & development. It is also where they have the most fun and build friendships. We ask that swimmers sit together as a team.

Participants must swim 3 Y meets to qualify for Y State

- ◇ Meet information will be via email, Facebook, & [Midwestern Swimming](#) .
- ◇ Please take note of all swim meet deadlines on events USA meets have early deadlines that can not

Parent Involvement

Parents are a vital part of our team. We welcome you to get involved with the program in several ways. We always need parents to help with various responsibilities at our home meets. We ask that each family provides a volunteer (or two) multiple times throughout the season. We are sure that every parent can find a job that he/she enjoys doing.

Our biggest fundraiser is working the UNL Husker Home Game Concessions.

- Our **team requirement** is that a person works **one UNL game for each swimmer** that is on the team.
- Swimmers 14 and up can also volunteer to work the stand. It is a lot of fun to be in the stadium.
- You can sign up on our Husker Volunteer document on Facebook.
- We run stand #35 on the 3rd Floor of the north stadium. Right inside Gate 12
- Parking is available for free in Lot #55 when full Lot A by innovation campus. A shuttle bus will pick you up and take you to the stadium. They run shuttles after the meet starting fourth quarter.
- There is a clear bag policy and you **MUST** bring your photo id/drivers license with you.
- Dress: They would like us to wear Husker Apparel (Red if possible) no spaghetti straps.
- Arrive at the stand at least 2.5hours before kick off. After the game, we usually leave within .5 hour.

YMCA Competitive Swimming and Diving is unique in that, like other YMCA sports programs, it emphasizes the overall development of the athlete.
