## LSC Spirit Soccer Information is below.

Spirit Soccer Club is our competitive, coach-select soccer program that focuses on fun and player development. Our teams have two leagues to choose from with multiple divisions and access to multiple state, regional and national tournaments. All players and coaches are registered with the Nebraska State Soccer Association and US Youth Soccer.

Teams are put together by coaches. Individuals looking for a team are encouraged to attend Kickarounds/team formation events at the beginning of the season. Teams that are 12U and older playing in the higher levels may hold a specific team formation (try-out) for their team. If there are enough individuals in an age category new teams can be formed. If we are not able to find a team for a player, they will have the option to be placed on a YMCA Recreational soccer team.

Each team is required to submit a team roster form to the Spirit Soccer Office. Players will then be sent the link to register for their specific team from their coach. Players are not officially registered until they have turned in their individual registration and payment. All new Spirit Soccer players will need to submit a copy of their birth certificates for age verification. New players will also need to submit a headshot photo for their Player Pass. **Players will not be placed on a State Roster nor be eligible to participate in any practices or games until they are registered and paid.**

*Note: You will not receive the link to register for your team until February 3rd from your coach.*

*Teams must play in the age category of their oldest rostered player. Players cannot play up more than one age category.*

*Players who are looking for a team need to register from January 1 - 30 so we can work on finding your child a team.*

## Choosing Your Teams Program

Coaches will select which program option they want for their team. This will be selected when turning in your team's roster so that the fees can be sent out to your players specifically so they can register for the team. Coaches will be given a list of tournaments to choose from to select for their team. The Spirit Soccer Club will submit registrations and payments for your league and tournament fees based off of the program chosen.

## LEVEL OF COMMITMENT EXPECTED BY NYSL TEAMS

Any team looking to participate in Nebraska Youth Soccer League must understand the level of commitment it takes to participate in a league that stretched across the state. All teams must understand that this is a travel league and that teams may occasionally travel to participate in NYSL games. The determination of game sites is based in part due to home locations of teams within a division as well as field and referee availability.

# NEBRASKA LEAGUE (NYSL) SPRING 2025

## LEVELS OF PLAY AND NYSL DIVISIONS

NYSL Division placement will be determined by the League Director with assistance from the Technical Advisory Committee (TAC) and the Directors Advisory Committee (DAC).

Blue Conference Level 1: first and second division. 7 game season.

Blue Conference Level 2: third and fourth division. 7 game season.

Red Conference 9U-14U Level 3: fifth, sixth and seventh division. 7 game season.

Red Conference 13U-15U: Level 3 teams. 6 game season. 7v7 format.

## MANDATORY PRIMARY ROSTER RULE

# US Soccer Player Development Initiatives Fall 2024 – Spring 2025

When determining the age group for a season, the year the season ends should be used for determining the birth year. Also not that the format “U that follows age” really meant that age and younger. For example 9U should read as 9 and younger.

\*11/12 age group the goal size recommended, but 7 x 21 is allowed.

\*13U and above can roster up to 22 but only 18 can dress for a game.
